Dear Parents and Guardians

Time seems to fly by – the calendar year has long started and ahead of us lies February grades, old Boarders' evening and the new Boarding fitness room is taking its shape towards the grand opening.

Therefore it is with great pleasure that I want to invite you to visit the young, us, the staff and the School itself on a cosy Sunday.

So come by for a day of the parents, on Sunday the 28th of February from 3 till 6 pm at the Boarding School in Birkerød.

You can arrive earlier and stay longer, but at the mentioned time you can meet me, a boarding school teacher with almost 20 years' experience, Peter Hottenroth and the kitchen leader Randi Buch Iven.

You will find opportunity for a cosy afternoon with talk of the boarding life and if you wish we can also offer individual feedback on the daily day matters of your child.

See the below programme and use the mail address kostskolen@birke-gym.dk to sign up. Siblings and others with an interest are more than welcome.

For practical reasons, we kindly ask you to sign up, no later than the 21st of February and in the case of to little interest, we will cancel the visit.

In case of cancellation, you will find this information on our web-page from the 22nd of February.
