Birkerød International Gymnasium Model United Nations conference 2012

Dear parents and students of BG,

Are you interested in the rewarding and fun experience of hosting one or more international students?

This year our school, Birkerød Gymnasium, HF, IB and Boarding School, will be hosting an international Model United Nations conference by the name of BIGMUN (Birkerød International Gymnasium Model United Nations).

An MUN conference is a realistic simulation of a United Nations assembly, and at BIGMUN, over 150 students will gather to debate current international crises. Among these, some will be from the school itself, and many others will be students from other schools around Europe – the United Kingdom, Germany and the Netherlands included.

As hosts, we are therefore searching for students from Birkerød Gymnasium who will be able to host one or more students for the four nights of the conference, which will be held from **Wednesday to Sunday, February 29th – Marts 4th 2012**.

As a host, you would be expected to provide accommodation, as well as to help your student get to and from the school on the days of the conference and ensuring the student gets home safely from the party on the Saturday evening. In return, you are given the opportunity to get to know a student from another country, practice your English, extend your network and are given free entry to the MUN party, held at the school.

If you are interested in accommodating one or more international students for the nights in question, please fill out the form below and put it in the BIGMUN tray at the front desk (by the Main Entrance).

For more information on BIGMUN, please visit the official website of the conference: www.bigmun.dk. Should you have questions about hosting the international students or about BIGMUN in general, please do not hesitate to contact us by the email-address: accommodation@bigmun.dk.

Yours sincerely,

Andrew Archer,
Conference Coordinator
and Accommodation Department BIGMUN

Birkerød Gymnasium Model United Nations 2012

Host Family Contract

Birkerød International Gymnasium Model United Nations conference 2012

If you are interested in hosting a student, please fill out this form and put it in the BIGMUN tray at the front desk by the Main Entrance.
